Discover Armando's Wine Expertise

At Armando Italian Restaurant, our co-founder and sommelier Armando Naclerio brings a wealth of wine wisdom rooted in decades of experience. From his early years in Germany, where he served a discerning clientele, Armando developed a deep specialization in the finest Italian wines. His knowledge isn't just from formal study; it's honed over many, many years of hands-on experience and a true passion for the craft.

Armando has a particular expertise in the iconic wine regions of Italy—think the robust Barolos from Piedmont, the elegant Brunello and the renowned Masseto from Tuscany, and the hidden gems of lesser-known regions. In his time in Germany, he had the privilege of introducing rare vintages—like those prized Barolos—to clients who appreciated truly special finds.

In short, when you dine with us, you're not just tasting a wine—you're experiencing the rich tapestry of Italian viticulture through Armando's seasoned eyes and years of dedication.
